Dear Director,

Dario Echeverry has been racing at Homestead Karting at Homestead Miami Speedway since we opened in 2002. He won the first Easykart Championship here at Homestead. In 2003 He was the champion at our F1 shootout.

For the last 4 years Dario has been the champion in the Easykart Heavy Class. He has also been champion in our new TAG series since its inception and has placed in other classes such as Easykart Light and Stock Shifter.

Dario is a favorite here at Homestead and has made many contributions to our track. We appreciate everything he has done for us and look forward to his racing with us in the future.

Dario Echeverry is extraordinarily gifted in the sport of racing and we at Homestead Karting urge you to grant his petition.

Sincerely,
