RE: Letter of Recommendation for Mr. Dario Echeverry's EB-1 Extraordinary Ability Alien Petition

Dear Sir/Madam:

This is a letter of recommendation in support of Dario Echeverry's application for an Immigrant Visa based on his Extraordinary Ability in Athletics. Dario is a highly accomplished Racing Kart Driver. He is the highest ranked Easykart 125cc Driver in the Easykart Heavy division in all of the Americas.

I came to know Dario over the last few years as a very talented driver and a very astute competitor. I took notice of him because of his commitment to his chosen sport of Kart Racing. Dario has demonstrated the ability and drive to compete at the sports' highest levels. Given my present position within the Easykart Organization and my experience in his sport as a Driver, Driver Coach, Team Manager and Track Owner, I can confidently say that Dario exhibits exceptional skills. In my many years in the sport, I can say that I have seen no other driver that trains harder, longer than or as often as Dario does. Dario's commitment as an athlete and a driver is exceptional. It is easy to see why he has won so many times against the widest variety of competitors from throughout North America, Central America and South America. Dario is the best and he continually works towards maintaining that level of performance and recognition within the Easykart ranks.

I hope that this insight into Dario's background is helpful to you in granting him his petition. All that have come to know Dario personally would appreciate your kindest consideration in this matter.

Respectfully,

Rudy Ramsaroop  
Director  
Easykart Americas
